

PRIVACY POLICY

1. In accordance with Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of individuals with regard to the processing of personal data and on the free movement of such data and repealing Directive 95/46/EC (General Data Protection Regulation) (hereinafter: "RDO"), we inform you that the controller of your personal data is TSFC GmbH, with a registered office in Switzerland, Zugerstrasse 76A, 6340 Baar, entered into the Registrar of Companies under the number CHE343.086.388 (hereinafter: "Data Controller" or "Administrator"). The Data Controller maybe contacted in writing at the Administrator's address.

2. The Controller has appointed a data protection officer who can be contacted by email at contact@tsfc.io or in writing at the Controller's registered office. For all questions regarding the processing of personal data and the exercise of rights in connection with the processing of data, you can contact the data protection officer.

3. At the same time, the Controller informs you that you have the right to:

- withdraw your consent (to the extent that the processing of your personal data is based on consent) the withdrawal of consent does not affect the lawfulness of the processing carried out on the basis of consent until its withdrawal consent may be revoked at any time (Art. 7(3) GDPR);
- portability of personal data, i.e. the right to receive personal data in a structured, commonly used, machine-readable format (Article 20 GDPR);
- objection to the processing of personal data (to the extent that the processing of your personal data is based on the premise of a legitimate interest) (Article 21 GDPR);
- access your personal data (Art. 15 GDPR);
- request correction of data (Art. 16 GDPR);
- erasure, i.e. "right to be forgotten" (Art. 17 RODO);
- restriction of processing (Art. 18 RODO);

4. Your personal data will be stored:

- as part of the provision of services, including financial intermediation services, personal data will be processed until the expiration of the limitation period for claims. However, personal data may be processed for longer periods if this results from the generally applicable provisions of the law;
- in case of consent to the sending of commercial information by e-mail or telephone contact for the purpose of submitting an offer - until you withdraw your consent or object to the processing of personal data for marketing purposes;
- for analytical and statistical purposes - until you raise an objection;
- within the framework of the Administrator's fulfillment of legal obligations - within the period specified in the provisions of the law;

5. Your personal data may be transferred to organizations that process personal data on behalf of the Data Controller, including IT service providers, companies providing archiving services, while such organizations process data on the basis of an agreement with the Data Controller and only in accordance with the instructions Data controller. In particular, the data will be processed in computing clouds managed by Amazon Web Services or Microsoft.

6. Your personal data may also be provided to other organizations in the form of disclosure, but only subject to obtaining your consent to such disclosure. You can at any time request information from us about the subjects to whom we have disclosed your data based on your consent.

7. Collected data may be disclosed to entities authorized by law, such as the Inspector General of Financial Information.

8. Your personal data may be collected by the Data Controller directly from you (during a visit to a branch, through the forms posted on the website, by telephone, in writing), as well as during a telephone conversation with an employee of the Call Center (the conversation is recorded). Data may also be collected from other organizations if you provide such consent. Liquidity Solutions sp. z o.o. All rights reserved.

9. Your personal data may be transferred to international organizations or recipients located in countries outside the European Economic Area (in the United Kingdom of Great Britain and Northern Ireland). The processing of Personal Data involving an entity located outside the European Economic Area (EEA) will be carried out in accordance with the principles arising from chapter V of the RODO, including by entering into appropriate contractual clauses with such entity to ensure data security (standard contractual clauses on protection of personal data) or based on the relevant decision of the European Commission, recognizing the country in which the organization is located, providing an adequate level of protection of personal data. The provision of personal data in connection with the provision of services, including financial intermediation services, is voluntary, but necessary for the provision of services under the contract. Failure to provide data leads to the impossibility of concluding an agreement and, accordingly, the provision of services. Providing data for purposes other than fulfilling a legal obligation is voluntary.

10. Based on the data you provide, including personal data, we can prepare offers tailored to your needs.
